Dear Parents/Carers

English Essential Texts and Revision Guides

This year, students will be continuing their study of English Literature and students will require their own copy of these texts rather than sharing books amongst students. We begin year 10 reading An Inspector Calls. We are able to offer GCSE essential texts and revision guides at a special reduced fee. Each student requires their own set of GCSE texts to study the English course. These essential texts are Macbeth, An Inspector Calls and A Christmas Carol. Although it is acceptable for students to have a different version from the ones we offer, the versions we offer are recommended by the exam board and are a competitive price which are as follow:

- An Inspector Calls – Essential GCSE text £9.00
- A Christmas Carol – Essential GCSE text £4.00
- Macbeth - Essential GCSE text £4.00

The revision guides are also written specifically for the GCSE course that your child is following and include helpful exam tips as well as covering all of the content that they need to revise. All revision guides and the poetry anthology revision guide are available at £3.00 each.

We have had lots of positive feedback from pupils over the past few years about how much help and support these guides have provided and lots of parents find them a useful way to engage with their children when helping them to organise their revision time at home.

If your child would be interested in purchasing any of these books, **they are available to order through the shop on our online payment system, ParentPay** which can be found on the front page of our website <http://www.seafordhead.org>

If you do not have a ParentPay login, please email ParentPay@seafordhead.org stating your child's name and tutor group

Alternatively you can buy these yourself on Amazon or eBay or from an independent book shop.

Students will be notified via their school email when the books are ready to collect from the finance office.

Yours sincerely,
Mr J Gant
