

150 Maths lessons (hours) left

until the Maths GCSE exams start !

The exams

There are 3 maths exams

- 1 non-calculator paper
- 2 calculator papers

The exam dates have not currently been scheduled for summer 2023:

- Paper 1 - Non-Calculator - TBC but normally late May
- Paper 2 - Calculator - TBC but normally early June
- Paper 3 - Calculator - TBC but normally early to mid-June

Prepare

To do well in maths you have to practice the maths.

Ways to do this include:

- Always do your best in class
- Use your class notes, revision guides and past papers to independently practise
- Complete your Independent study on Sparx
- Attend the support sessions at school
- Use website resources such as BBC bitesize, Corbett Maths and Kesh GCSE maths
- Practise good exam technique by:
 - Showing all working out clearly and in a logical manner
 - Doing what the questions asks
 - Understanding key words such as factorise and evaluate

Use the feedback given to you

Intervention:

You will have the opportunity to attend after school sessions and/or lunch time sessions

How can parents/carers help?

- Talk through real life Maths problems:
 - Best Buy questions / family budgets
 - Gas meters, phone tariffs, electric bills
 - Bank account
 - Currencies and exchange rates
- Having the correct equipment. We sell the correct calculator and a variety of revision books through the school shop that can be accessed via the school's website.
- Encourage the explaining of answers
- Remind them that making mistakes and finding it difficult is part of the process when improving

The exam dates

- Paper 1 - Non-Calculator - May 2023
- Paper 2 - Calculator - June 2023
- Paper 3 - Calculator - June 2023
