Adventure AWAITS

Dear Parents and Students,

Working in partnership with World Challenge, we're excited to bring you something out of the ordinary – an expedition to **eSwatini & Kruger** in **2024**. This is a once in a lifetime opportunity for our students to become true life-learners and true global citizens. It's the kind of learning that students will carry with them long into the future and the transformative experience will set students apart, empowering them to stand strong in front of employers and universities.

We look forward to seeing you

During a presentation from Sasha at World Challenge, students were given a brief introduction to the **eSwatini & Kruger** trip and directed to head over to the tailored landing page which has information about the itinerary, insurance, COVID-19 safety and a sign-up button for the virtual parents presentation which is going to be held next **Tuesday 20th September at 6.30pm**. You can find the landing page link here: <https://weareworldchallenge.com/trips/eb7cme8/>

This will be an opportunity for you and your child to find out more information about the trip and ask any questions you may have. To sign up to this event here are some instructions:

1. Head over to the landing page at <https://weareworldchallenge.com/trips/eb7cme8/>
2. Click on the button 'Register for Presentation' and here you will be able to sign up to the evening and receive the Zoom link.

We look forward to seeing you all there next **Tuesday 20th September 6.30pm**.
