

Year 11 Key Focus: Applications to college, 6th form or apprenticeships

We're committed to providing you with good quality, impartial information, advice and guidance throughout your school career.

This year you'll continue to encounter a variety of careers related activities, events and experiences to help you make decisions about your future career goals. (see the mind map).

Work through the 'Steps' workbook, explore the resources we give you and talk to your parents and teachers about different ideas and options that interest you. Seek out further information and guidance too, to help you make choices about where you'd like to go, and what you want to do next, after your GCSEs.

Students can access information about our Learning Resource Centres (LRCs) and Careers service through the schools SharePoint  and Microsoft Team  pages dedicated to each year.
