

May 2023

Dear Parents/Carers

University of Sussex Chemistry Experience Day

We have been able to obtain a limited number of places at the University of Sussex for a Chemistry Experience Day on **Wednesday 21st June**. This links to the OCR Chemistry A-Level modules which cover chemical synthesis and analysis.

As well as being able to experience working in a university lab, students will be able to use their analytical tools such as Infra-Red Spectroscopy, Mass Spectrometry and have a look round their NMR facility.

Students should make their own way to Seaford Station to catch the 08.53am train to Falmer station where they will be met by Mr Higgins at 9.20am. They will return to Seaford on the 15.46pm train which arrives in to Seaford at 16.20pm. The cost of a return ticket is £4.40.

To apply for your place on the trip please complete the parental consent online at **ParentPay** at <https://www.seafordhead.org> by **Monday 5th June 2023**.

Yours sincerely

Mark Higgins

Mr M Higgins
A-Level Chemistry tutor

Seaford Learning Trust
