

# Year 7 Key Focus: An Introduction to our Careers Provision

We're committed to providing you with good quality, impartial information, advice and guidance throughout your school career.

This year you'll encounter some careers related activities, events and experiences which will help you start to think about what your future career goals might be. (see the mind map).

Work through the 'Steps' workbook, explore the resources we give you and talk to your parents about different ideas and options that interest you.

Students can access information about our Learning Resource Centres (LRCs) and Careers service through the schools SharePoint  and Microsoft Team  pages dedicated to each year.

Our Careers Team are here to help with guidance and support:
