

Year 9 Key Focus: Starting your GCSE subjects & thinking about Post 16 choices

We're committed to providing you with good quality, impartial information, advice and guidance throughout your school career.

This year you'll encounter a variety of careers related activities, events and experiences to help you make decisions about your future career goals. (see the mind map).

Work through the 'Steps' workbook, explore the resources we give you and talk to your parents and teachers about different ideas and options that interest you. Seek out further information and guidance too, to help you think about what you might like to do, and aspire to be, in the future.

Students can access information about our Learning Resource Centres (LRCs) and Careers service through the schools SharePoint  and Microsoft Team  pages dedicated to each year.
