Dear Parent/Carer

A-Level Photography

We are pleased to welcome your child to S6H Photography Department at Seaford Head School where we strive to make all students' experience of Photography at KS5 a positive and rewarding one. We have high expectations of our students and value the support of parents/carers in ensuring that coursework and homework tasks are completed.

Throughout KS5 all students are required to keep workbooks, A1 boards and an online portfolio which they will complete homework tasks and project tasks on in school and independently at home.

These items can be purchased in the school shop on the school website, as follows:

- **A3 Spiral bound black photography book £4.50**
- **A1 Plastic folder £2.00**
- **USB stick for personal storage of digital work £5.00**

A single contribution of £30.00 will be required to fund the additional equipment used throughout the 'A' level course.

Materials will include all photographic paper and chemicals, large scale high quality printing, paper, A1 card, paint, glue and any required additional equipment. We would appreciate contributions to the department to maintain a high level of finish for the students. Please complete the online parental contribution payment on ParentPay.

Yours sincerely,

Tammy Stevens
