

October 2023

Dear Parent/Carer,

We are pleased that your child has chosen to study Photography A-level at Seaford Head School.

As part of the course, and for the students to feel that they have some autonomy for their photography course, we would like to be able to give the students the freedom to explore their local environment in and around Seaford and the surrounding areas when taking photographs. This will mean that students can go out beyond the school grounds during their photography lessons for any practical tasks.

Please can you let me know if you are comfortable for your child to have consent to do this throughout the academic year by completing the online consent form on ParentPay. If you do not have access to ParentPay please email parentpay@seafordhead.org and we will send you an activation letter.

Kind regards,

Tammy Stevens
