

October 2023

Dear Parents/Carers

The Food and Nutrition Department is planning a visit for Year 13 Food and Nutrition students to The Lewes District Partnership Food Summit on Wednesday 18 October. This will enable them to collect information to assist with their Unit 4 Research based project.

If you would like your child to have a place on the trip please give your consent via ParentPay by Friday 13 October. If you require a ParentPay activation, code or have any queries about ParentPay, please email parentpay@seafordhead.org.

Students should meet outside room 16 on the Arundel site at 12pm, where students will leave to travel to Plumpton College on the school minibus.

They will arrive back at school at 5.30pm, where they will make their own way home.

Students should bring a notepad and pen to note important points from the guest speakers, as well as a drink and a healthy snack. They should wear sensible clothing and bring a waterproof in case the weather is wet.

Yours faithfully

Mrs V. Feneron
Head of Food and Nutrition
