

October 2023

Dear Parents/Carers

As you are aware, Year 8 students will be studying the First World War in the coming weeks. The History department are inviting Year 8 students to design and build a model trench that will be entered into a competition to be judged by Mr. Ellis, Headteacher.

We ask that the model trenches are brought into school no sooner than Monday 8 January 2024. All entries will be displayed in the school hall at 3.30pm on Wednesday 10 January 2024 and you are very welcome to come along and enjoy what is always a fantastic display. Year 7 students will also be displaying their model castles at the same time. Students will be expected to take their trenches home after the exhibition.

There will be prizes for the winners and everyone who enters will receive a letter of recognition and house points. The competition is not compulsory and normal homework will be set via Educake.

Please encourage your child to take part. They are welcome to make the model with a friend if they wish.

Yours sincerely

Matthew Lewis
