Dear Parents/Carers,

We are pleased to welcome your child into the Photography Department at Seaford Head School, where we strive to make all students' experience of Photography at KS4 a positive and rewarding one. We have high expectations of our students and value the support of parents in ensuring that coursework and homework tasks are completed.

Throughout KS4 all students are required to keep workbooks, A1 boards and an online portfolio which they will complete homework tasks and project tasks on in school and independently at home.

**These items can be purchased at the school shop on the school website**, as follows:

- **A4 Spiral bound black photography book £4.50**
- **A1 Plastic folder £2.00**
- **USB stick for personal storage of digital work £5.00**

A single contribution of £30.00 will be required to fund the additional equipment used throughout the GCSE course.

Materials will include all **photographic paper** and **chemicals, cyanotype paper, large scale high quality printing, paper, A1 card, paint, glue** and any required additional equipment. We would appreciate contributions to the department to maintain a high level of finish for the students. Please complete the online payment on ParentPay to purchase these items.
