

January 2024

Dear Parents/Carers,

The Immunisation Service are coming into school on **06/02/2024** to offer the **Tetanus/Diphtheria/Polio (Td/IPV)** and **Meningitis ACWY (MenACWY)** vaccinations to students in years **10** and **11** who have not already received these vaccinations, which are routinely offered in year 9.

If this applies to your child and:

- You have already completed and returned a consent form; the Immunisation Team will contact you prior to offering these vaccinations.

OR

- You consented for your child to receive these vaccinations at a different school, and it is still outstanding, please contact your local Immunisation Team so that they can update your child's consent form.

OR

- You have not yet consented and would like to do so, please **speak to a member of the Immunisation Service by calling your local team on 01273 696011. Brighton Ext. 3789**

If your child presents themselves to the Immunisation Team during the catch-up session, and records indicate that they are outstanding these vaccinations, the Immunisation Team may offer them the opportunity to consent to these themselves. This would be following an assessment of their competence and understanding of what's involved with the vaccinations, and an attempt to contact their parents in the first instance.

Kind regards

Sussex Immunisation Service  
Sussex Community NHS Foundation Trust
