

Dear Seaford Head Families,

We are pleased to be working with Steps Up, the local organization that has provided our summer activity programme since 2021, to organise a Summer Activities Programme from **Monday 29th July to Friday 2nd August 2024**. The Summer School is open to the new year 7 cohort as well as our current year 7 and 8 students.

The following part of the letter comes directly from 'Steps Up' – the organization that are solely responsible for running the programme.

We aim to focus on a wide range of outcomes, such as confidence and wellbeing, through delivering activities such as sport, fitness, music, drama and art. Steps Up Summer Activities are specifically designed to ease the transition process for pupils from primary to secondary education.

This is not a week of extra English and Maths!

Teachers, Learning Mentors and Coaches will work with students to make the move from primary school a happy and enjoyable time. We deliver organised activities where children can get to know each other and also discuss children's' expectation of secondary schools and what will be expected of them when they move in to Year 7. This is a useful way of familiarising children with Seaford Head School and dispelling myths about secondary school.

Steps Up will offer an exciting series of interactive workshops, energetic activities and fun-filled challenges specifically designed to inspire and enable each and every student to uncover their unique abilities, develop greater confidence and master strategies for success in the classroom and beyond.

Some of the activities included are;

- Multi sports
- Alternative sports
- Dance workshops
- Cooking/ Baking
- Theatre and film making
- Art and crafts workshops
- Science experiments
- Music lessons
- Graffiti workshops
- Musical theatre
- Escape room experiences
- Design technology
- Climbing

The Summer Activities Programme will run from 8.30 - 3.00pm on **Monday 29th July to Friday 2nd August inclusively.**

The Summer Activities Programme will cost £150 per week or £35 per day.

If your child would like to attend the Summer Activities Programme please visit www.steps-up.co.uk and fill out the online registration form or you can fill in the registration form attached and return it to the school office. You will need to pay a **non- refundable deposit of £30** to secure your child's place at time of booking. Once your child's place is booked we will be in touch with further information.
