Taster Day at Seaford Head Sixth Form: September 2025 entry

Dear Parents, Carers and Year 10 Students,

As part of our post 16 programme and introduction to further education at Seaford Head Sixth Form, we would like to invite your child in Year 10 to attend a taster day at our Sixth Form centre on either **Monday 24th June or Tuesday 25th June.**

This will give students the opportunity to have a full day at the Sixth Form and choose four lessons from subjects that they would like to find out about.

The aim of the day is to give you an opportunity to:

- Sample A Level and BTEC Level 3 subjects
- Visit our sixth form centre in Seaford
- Meet sixth form staff and teachers

The taster days have been planned all day from 8.45am to 2.50pm.

Our current prospectus can be found here: <https://seafordhead.org/sixth-form-centre/sixth-form-prospectus/>

In addition to the subjects available in our current 2024/25 Prospectus, we are delighted to inform you that at the start of the 2025/26 academic year we will also offer the following subjects:

- A-Level Economics
- A-Level History of Art
- A-Level Mandarin
- A-Level German
- Level 3 Certificate in Food Technology (equivalent to one A Level)

Since reopening in 2014, our Sixth Form has gone from strength to strength. Our aim is to support all of our students with achieving their aspirational long-term goals whether that be employment, setting up their own business, starting a higher-level apprenticeship or study at university. We are successful because we have a team of experienced subject specialists who are passionate about their subject; dedicated pastoral staff who support student well-being and happiness and first-class careers advice from our Level 6 Careers Advisor.

Follow us on Social Media:

Facebook - [SeafordHeadSchool](https://www.facebook.com/SeafordHeadSchool)

Twitter - [@Seaford_Head](https://twitter.com/Seaford_Head)

We are incredibly pleased that more and more students from outside of Seaford are finding out about our success and want to be a part of it. This year, we more than doubled the number of external candidates that applied from schools beyond Seaford and we continue to encourage your applications. We want to recruit students who are passionate about their education and will contribute to our positive and inclusive learning environment.

Students will need to **arrive by 8.45am** at the Sixth Form Centre in Seaford so that we can register them and give a brief tour of the centre before the day starts. The taster sessions will run all day and students will be required to attend lessons throughout this time and remain on site until the end of the school day.

Students can sign up by following this link to an electronic form:

<https://forms.office.com/e/86fW28YUFd>

Within this form, students will make a preference on which day they would like to attend. Where possible, we will allocate their first choice, however to manage class sizes, they may be allocated to their second-choice date instead.

The **deadline for registering** for the Taster Day is **Friday 7th June**- following this, we will be in touch to confirm your allocated date.

Lunch will be provided, so please indicate on the form whether you have any special dietary requirements. If you have any questions regarding the taster sessions or regarding any programmes of study offered, please do not hesitate to email the Sixth Form on: ClareCallard@seafordhead.org.

We look forward to welcoming you to the Sixth Form.

Yours sincerely,

Sam Alvarez
