

May 2024

Dear Parents/Carers,

Enrichment and Activities Week Wednesday 03 July and Thursday 04 July

We have now finalised our schedule for Enrichment Week and are delighted to offer the students in Years 7-10 a whole host of activities. Students will be sent a PowerPoint on Monday 20 May with the range of activities that are available and details as to what each activity entails. Some of the activities will have a cost attached and the information that parents/carers will receive will have an approximate cost. At this stage we are unable to give a final cost as we will need final student numbers to calculate transport costs. This information will be put onto ParentPay shortly after half term.

If your child is a FSM student and you are eligible for the trips subsidy, then the form will offer you the opportunity to redeem this in Enrichment Week.

The forms and information will be sent out on the morning of Monday 20 May so please have a discussion with your child as to which activities they would like to attend as the form will close on Friday 24 May. Activities will not be on a first come, first served basis and any activities which are oversubscribed will be drawn with a ballot. This will enable us to finalise our numbers for each activity and put the relevant information regarding payment (if any) on to ParentPay. Please note that we will use ParentPay for any consents that we need, even if payment is not needed.

If your child is in Year 10 and is completing their Duke of Edinburgh Bronze Award this year then the expeditions will occur during this week. Please tick the Duke of Edinburgh box on the form for both days.

If your child is in the Dance Showcase in the evening of Wednesday 03 July, please tick the Dance Showcase box as the all-day rehearsals for this are on the Wednesday.

Yours sincerely

Mr Purdey

Enrichment Lead
