

May 2024

Dear Parents/Carers and Students

I wanted to make you aware that I will be offering two Geography revision classes in the May half term.

The first session will run from 9:30am - 11:30am on Friday 31 May and will be focused on Paper 2 case studies (I recognise this clashes with the Maths revision class for some of you, my apologies for this).

The second session is from 12:00pm - 2:00pm on the same day focused on fieldwork skills and techniques for Paper 3.

I hope this will give all students a boost for the final couple of exam weeks and wish everyone the best of luck for all the exams.

Many thanks

Mr D Miller
