

June 2024

Dear Parents/Carers

The Volt Gallery, Eastbourne

In Photography we would like to develop links and opportunities for our students to work with photographers and artists to develop their skills and create opportunities for them to improve their coursework and for students who are considering opting for Photography beyond their GCSE and A-level courses to develop their learning.

We are very lucky to have the opportunity for some of our Year 12 and Year 10 students to work in collaboration with The Volt Gallery in Eastbourne.

The exhibition focusses on Challenging Behaviours by India Harvey. The group would meet India, hear about her work as an artist and complete a workshop with her.

Challenging Behaviours is a new body of research, interactive artworks and environments by artist India Harvey that investigate the powerful potential of childhood, and what makes adults so afraid of younger generations. Challenging Behaviours situates child-led play as a parallel universe of resistance and survival, through which children express their fears, needs and desires.

India is an artist whose work is concerned with development and possibilities of intergenerational socio-sensory opportunities. Through this work India explores why and how people of all ages can be active contributors to society.

The visit will take place on Thursday 13 June and we will be leaving school via minibus at 9:30am and returning at 12:00pm.

If you are happy for your child to take part, then please give consent via ParentPay no later than Tuesday 11 June.

Yours sincerely,

J. Stevens
