

September 2024

Dear Parent/Carer,

As part of their Photography coursework and the Environment project we are currently focussing on, we will be taking Year 10 GCSE Photography students to Seaford Beach to take environment photographs. This will take place on Wednesday 11 September during their photography lesson in Period 3. We will be walking to the beach at the beginning of break. It would be advisable for students to bring snacks/drinks for their break time. If students have their own camera, please bring this into school fully charged and ready to take photographs.

Please complete the consent form on ParentPay by Monday 9 September for your child to attend.

Yours sincerely,

Tammy Stevens
