

September 2024

Dear Parent/Carer

## Year 12/13 'A' Level Photography

We are pleased to welcome your child to S6H Photography Department where we strive to make all students' experience of Photography at KS5 a positive and rewarding one.

Students will be able to use digital cameras in school, but they will be expected to have their own digital camera for independent work at home if possible.

Throughout the year all students are required to create an E- portfolio and workbook. Folders and mount boards are available to present practical work. This work will form a large part of their coursework and contributes towards their final grade.

To provide students with quality materials, we would appreciate any contributions to the Department to help us meet some of the costs. For a suggested amount of £30 (over the 2-year course), we will provide your child with a minimum of: 2 x A3 sketchbooks, 1 x folder, 20 x dark room prints, 20 x digital prints, and all processing chemicals required.

This can be paid as a one-off payment via our online system 'ParentPay' which can be found on the school website.

If you do not have a ParentPay account, please email [parentpay@seafordhead.org](mailto:parentpay@seafordhead.org) stating your child's name and tutor group.

Thank you for your support.

Yours sincerely,

*Tammy Stevens*

Miss T. Stevens  
Photography Lead
