

October 2024

Dear Parents/Carers,

We wish to do everything we can to support {{learner.firstname}} in getting the absolute best grades possible in Photography and to support them achieving their best next summer. We believe that, with some extra intervention and hard work, they can improve their grade further. The school has continued to use Period 6 lessons for Year 10 and 11 students as part of the school day for intervention sessions. As this is part of the school day children are expected to attend any intervention sessions that run from 3:00-4.00pm. These sessions will provide invaluable extra time to support the coursework they need to complete as part of the final examination grade.

These intervention lessons will start the week commencing 04 November and will show on their timetable after half term. Lessons will be in Room 15 and 16 on the Arundel Road site with Miss Stevens and/or Mrs Renton on a Thursday.

We thank you for your continued support in helping them to reach their full potential.

Yours sincerely

*Tammy Stevens*

Miss T Stevens  
Head of Photography
