

November 2024

Dear Parents/Carers

The Geography Department are planning a visit for Year 10 GCSE geographers to Brighton on Monday 25 November or Tuesday 26 November 2024, which will enable them to collect information to assist with their GCSE studies.

This visit is a compulsory part of the curriculum as they will be examined on it at the end of Year 11. Follow up work after the trip will be based on the data collected which will help them to practise for their real exam. We very much hope that all students will attend as it will put them in a stronger position for achieving well at GCSE.

As the school does not receive direct funding for educational visits, a payment of £3.61 per student is needed to cover the trip. Please complete the consent form and make a payment via the online payment system ParentPay on the school website. Consent can only be given via ParentPay. If you do not have a ParentPay login please email parentpay@seafordhead.org stating your child's name and tutor group and you will be sent an activation code.

Students should be at Seaford Station at 9:00am to travel by train to Brighton on a group ticket. They will all return on the train, arriving back at Seaford Station at 3:15pm and will be dismissed from there.

There will be indirect supervision at lunchtime and teachers will be located at a set meeting point. Students will be instructed to be with 3 or more of their peers. Students will be restricted to the Churchill Square area during their lunch break.

Students should bring a packed lunch or money to buy lunch in Brighton, together with a clipboard and a pencil. They should wear sensible clothing and a waterproof coat in case the weather is wet.

The closing date for the application is Wednesday 20 November 2024.

Yours faithfully

E Smith

Mrs E Smith
Head of EBacc Faculty and Head of Geography
