

SEAFORD HEAD SCHOOL

Achieving Excellence Together

March 26

Dear Parents/Carers,

To enhance the learning your child receives through their PSHE education, secondary schools across East Sussex are participating in a 'Theatre in Education' package which focuses on drug, alcohol and tobacco education. It will include a theatre performance called 'Time Out' by Solomon Theatre Company on Tuesday 17 March, followed by a question and answer session with the actors. Leading up to, and following the performance, lessons on drug and alcohol education will be delivered to your child's class.

As part of the new Department for Education (DfE) guidance on the teaching of Relationships, Health and Sex Education we are undertaking a consultation with our school community. If you would like to share your views please click the following link- [Parent/Carer PSHE & RSHE Consultation – Fill in form](#)

Information about the new DfE statutory guidance can be found here-
: <https://www.gov.uk/government/publications/relationships-education-relationships-and-sex-education-rse-and-health-education>
