

Safeguarding at Seaford Head School

Seaford Head School is committed to safeguarding and promoting the welfare of children and young people and this includes their mental health and wellbeing. We expect all staff and volunteers to share this commitment. We recognise that ***“Children have the right to be protected from all forms of violence (physical and mental). They must be kept safe from harm and they must be given proper care by those looking after them.”*** (United Nations convention on the rights of the child).
