YEAR 7 PARENTS/CARERS KS3 INFORMATION & MEET THE TUTOR EVENING

Dear Parents/Carers,

We hope your child has enjoyed their first few weeks with us and is beginning to feel settled, confident and part of our school community. Starting secondary school is a significant milestone, not only for our young people but for families too, and we really value the relationship we build with you throughout their time at Seaford Head School.

We would therefore love to welcome you to our **Year 7 Information and Meet the Tutor Evening on Thursday 15 October, from 4:30pm–7:00pm on our Steyne Road site.**

The evening is an opportunity to come back into school now that your child has had time to settle into Year 7, meet some of the key people supporting them and find out a little more about their journey ahead. Most importantly, you will have the opportunity to meet your child's form tutor and talk about how they have settled into life at Seaford Head.

You will also hear from our English, Maths and Science Departments, who will share practical information about learning, extra-curricular opportunities and how you can support your child at home. We will also provide information about Edulink and Teams and highlight some of the key events and opportunities your child can look forward to during Year 7.

We know that a successful transition does not finish when students walk through the gates in September. The first year of secondary school is a journey, and we want every child to feel known, supported and that they genuinely belong. Working closely with you is an important part of making that happen.
